

New South Wales
Indigenous Chamber of Commerce

“Getting on with business in NSW”

2016 Certificate Membership Presented to *DCL Engineering Pty Ltd*

**FIRST AUSTRALIANS
CHAMBER OF COMMERCE
AND INDUSTRY**

The NSW Indigenous Chamber of Commerce (NSWICC) is a member of the First Australians Chamber of Commerce and Industry (FACCI) and the Peak Body for Indigenous Business in New South Wales. The Chamber exists for our Members, supporting their business needs as valuable contributors to the local, national and global economies.

The NSWICC is recognised by NSW Government and Industry as a trusted Advisor on Indigenous Economic Development and policy reform. The NSW Aboriginal Business Portal is an initiative of the NSW Government and the NSWICC. The Portal is managed by the NSWICC and promoted by NSW Government and Industry as a reliable resource for locating Indigenous Suppliers.

DCL Engineering Pty Ltd is listed on the NSW Aboriginal Business Portal as a valued member of the NSWICC and part of an exciting growing network of Indigenous Entrepreneurs who through hard work, commitment and dedication are creating positive changes for Indigenous people and communities across NSW. This certificate confirms that DCL Engineering Pty Ltd is a 100% per cent Indigenous Owned, Operated and Controlled business that meets all requirements of the NSWICC Certification Policy and applicable Industry and Government Standards.
